

Meeting Summary

London Wildlife Sites Board (LWSB)

9th June 2025

Full meeting minutes available on request.

1. Welcome and introductions

The LWSB has recently expanded to include new members, to broaden expertise and cover for any absences.

2. Clarifications on previous meeting minutes

No comments or questions were raised over the previous meeting minutes.

3. LWSB page on SINC Resource Hub

A new page has been developed for the SINC Resource Hub which will host information on the LWSB, including member biographies and details of future meetings. Future actions include the development of a template for boroughs submitting SINC reviews to the LWSB, and developing members role as advocates for London's SINC system, to promote understanding of the SINC process and to encourage use of the SINC resource hub, directly to Londoners.

4. Terms of reference (ToR)

An update to the LWSB ToR is being reviewed and will be finalised before the next LWSB meeting in September. Deadline for comments on the ToR from LWSB members will be Monday 30 June.

5. Next meeting agenda items

- SINC criteria review: Consultation with members in the next LWSB meeting, following the results of the live analysis on the recommended criteria updates.
Role of LWSB as an expert panel on SINC in London. Discussion on Areas of Deficiency in Access to Nature (SINC AoD), in context of the results of SINC criteria update study.
- London Plan: Board members encouraged to take part in the current live London Plan consultation.

6. AoB

No AoB raised.

The next LWSB meeting will be held on 8th September 2025.
